Hooray! Our friend, Rink Somerday from the Asombro Desert Institute is back!

We always have a great time with Rink...

The Annual July Friends Picnic/Potluck was a success! Master Chef Robert Apodaca and assistant David Bencomo cooked some pretty serious tasting burgers, brats, and hot dogs, I hear. A good time was had by all and the new portable air conditioner was the hit of the morning. Thanks, everyone for contributing to the fun and delicious event!

The monsoon season has made the mountains as green as can be. I've seen the start of a good crop of Arizona Poppies making an appearance this week, also. The Prickly Pear cactus tunas are already starting to turn red, and the 4-O'Clock trailing vine is everywhere! Come on up to the park and get an eye-full of the splendor...

A long-time hot air balloon pilot friend, Jim Hoidahl is coming back to the Deming Duck Races/Balloon Fiesta this year and is looking for folks who are interested in crewing for him. Please let me know if you are interested...

I think our Director of Programs spot may be filled! Friend's member Cherie Luck and park volunteer Clair Shawan have expressed interest in the spot. New member Chuck Bacon is interested as well... Thank you, all!

Thanks everyone, for all you do for Friends!

Gratefully, *Sally Allen*, Friends of Rockhound State Park, Inc.
